Terms:

Porting Process:

As soon as we receive this signed form and a copy of your most recent bill we will begin the process of porting your number(s). This process can take up to 30 business days to complete.

Porting Disclaimer:

We do not guarantee the success of the porting process. We provide this as a service to our customers with understanding that the customer is responsible for the payment of this service under any circumstances no matter is the requested has been ported or not.

Partial Ports:

LEC/Current Provider should be notified of required action on remaining telephones numbers.

Account Freezes:

If you have a PIC freeze with your original carrier, you have to notify the carrier to remove the freeze. If PIC freeze is encountered during porting process, then no FOC will be provided until carrier is contacted to remove the freeze. This might delay the porting process.

By signing this form I acknowledge that I have read, I understand and I agree to be bound by all terms and conditions above. I designate Savecom or its deligated agent to transfer my service and my current telephone number(s) used to provide service so Savecom may provide its service to me. I also authorize Savecom or its designated agent to obtain billing information, customer service records and other network information required to provide me with Savecom service.
